Henry Hinde Update

We hope you all had a wonderful Whitsun break — and what a treat that sunshine was.

Before half term, the children put on their very best smiles for class photos. We look forward to seeing the results — fingers crossed no one blinked at the crucial moment.

Year 4 have been absolute stars this week as they completed their multiplication check. They approached it with determination, resilience, and a healthy dose of “we’ve got this”. We are incredibly proud of the hard work they’ve put in all year.

Next week, Year 1 will be working with Miss Bale to complete their phonics screening check. We know they will show off all their brilliant reading skills — and possibly teach the adults a thing or two about split digraphs.

This week we had the pleasure of welcoming the families of our new Reception and Year 3 cohorts. We’ve held information sessions, shared lots of smiles and are already excited about the year ahead. There’s something very special about seeing new faces begin their Henry Hinde journey alongside our current families.

Preparations are in full swing for our Year 2 and Year 6 end of year productions. Auditions have taken place, and let’s just say... the talent levels were high and the casting decisions were *not* easy. We can’t wait to see the magic come together on stage. We will share the confirmed dates and arrangements for these productions over the next week.

Year 6 are heading off to Twin Lakes next week for a well deserved post SATs treat. After all their hard work, they’ve earned a day of thrills, laughter and possibly a few soggy shoes.

There is a real buzz around school as we gear up for our next Friends event — our very first **Colour Run** on June 19th. We are *very* excited about this event. If you haven’t bought your tickets yet, please do so soon to avoid disappointment. It’s going to be a fantastic event for the whole community.

Ahead of the Colour Run...Friday 12th June is a non-uniform day in preparation for the famous Henry Hinde Bottle Tombola (which will take place at the Colour Run) — a highlight of the school year and a true test of how many bottles one table can safely hold. Children are welcome to come to school in an outfit of their choice in lieu of a donation of a full, unopened and in-date bottled item. This can be anything from shower gel to ketchup, soft drinks to bubble bath... and yes, even alcohol. If you are donating alcohol, please hand it directly to a member of staff or drop it off at the school office.
